Attention: ACCOUNTING

The purpose of this correspondence is to inform you that four checks that BERESKIN & PARR submitted to the U.S. Patent & Trademark Office (USPTO) to pay for the fees noted below were lost in transit when forwarded to our bank for deposit. To reconcile this situation we request that you provide us with either a copy of the canceled checks in question, front and back, or resubmit payment.

The four checks in question were in the amount of \$ 130.00, \$ 260.00, \$ 950.00 and \$ 1,000.00 U.S. dollars and were processed as noted below:

I have enclosed a copy of the four checks from BERESKIN & PARR in question. Please verify with your bank that the checks in question have not been cashed. If you wish, you may stop payment on the checks. Note that because the deposit ticket associated with the four processed checks has been rejected by Citibank Delaware the checks will not be deposited in the future.

Once you have determined that the checks have not been cashed, please resubmit payment to USPTO. As USPTO did receive and process the checks in question before it were lost, you will retain your original mailroom date of 20 April 2006 for the transactions in question assuming repayment is received. If desired, contact me and I can reprocess the sales using your deposit account for payment. If you wish to forward the repayment by check (include a copy of this letter with the mailing) please forward to the address noted below:
